Guts the Black Swordsman just can't seem to find a little peace. On his way to the idyllic tranquility of his miniature pal Puck's homeland of Elfhelm, Guts and his companions, at the behest of a local witch, assist a village beset by a plague of hideous and deadly trolls. Assisted by the witch's disciple, Schierke, the warrior band manages to turn the tide against the beasts, but when a monstrous ogre hits town, a tide of another kind is needed, a mystic flood to wash the town clean. But when Casca and Farnese are carried away by the flood, they become prisoners in the trolls' den, where a fate far worse than any imaginable death awaits!

Created by Kentaro Miura, Berserk is the hammer of the manga forge, a white-hot amalgam of bruising action, breathless horror, and brimstone humor that separates men from boys, wheat from chaff, and heads from shoulders. Do you want to live forever?

This collection is translated into English but oriented in right-to-left reading format, as originally published.
